

Your company's buildings are a vital asset. They require constant attention to maintain their value. **KMA** offer a full range of HVAC, refrigeration and electrical installation, maintenance and specialised catering services. Our programs are tailored for each individual customer. Our continued care service ensures efficient running of your business, fewer problems in the future, saving you money in the long run.

# KMA Facility Management & Technical Services

Working with Industry leaders, retailers and institutions around the country, we offer services including Electrical, HVAC, Refrigeration, Plumbing & Catering equipment repair. We also provide sub contractors for BMS systems, water treatment and High tension electrical. We provide our clients with consistent personal communication and 24-hour access to service.

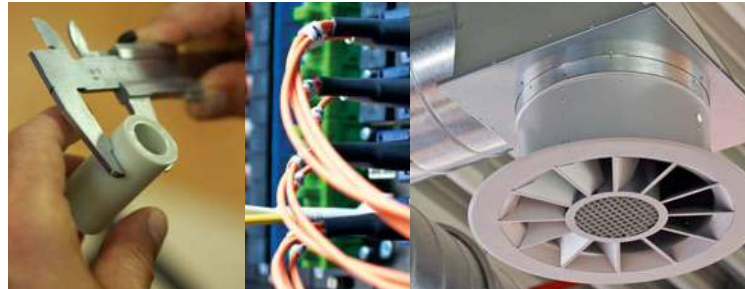

KMA Services was founded by Michael Mellon in 1999. Based in Dublin, we have built a reputation for reliability, honesty and hard work. The principals of KMA Services have formed long standing relationships with the most specialised and accomplished technicians around the country. Our staff are fully qualified and highly experienced. All of this allows KMA Services to provide excellent pricing with the highest quality workmanship.

We provide emergency services 24 hours a day, 7 days a week with response times that are never greater than 2 hours.

Our unrivalled breadth of services and consistent client communication allows us to be your single source for coordinating all of your maintenance needs 24 hours a day, 365 days a year.
